

Did you
know
?

Arlington's population is expected to **grow from 216,700 to 260,000 people** in the next 15 years.

Of Arlington's **26.2 square miles**, the County and Public Schools own only **2.2 square miles** for **schools, parks, police and fire stations, community centers & more.**

Which facilities do you use the most? How should we plan for their future?

The Community Facilities Study is a collaborative effort between the County, Arlington Public Schools (APS) and the broader community. Together, we are laying a solid foundation for Arlington's next chapter.

The study brings together a diverse group of perspectives to build community consensus; consider future revenue and facilities needs; and establish a framework that will guide future decision making.

Join us June 2 to find out how this study impacts you, learn about study findings to date, review identified challenges, provide feedback and ask your questions.
